Career Objective

Passionate IT professional with expertise in Java Spring Boot, Angular, DevOps, and Linux fundamentals. Eager to apply training and hands-on experience to contribute effectively to innovative software projects.

Interpersonal Skills

- Adaptability
- Teamwork
- Communication Skills

Technical Competencies:

Java · Springboot · MySql+Mongo · Angular · Azure DevOps · UI Path Studio · Figma

Experience

Winter Intern
HighRadius · Internship
Jan 2022 – Apr 2022 · 4 months
- Involved in in a project in creating a full stack web-based product.
- Participated in regular meetings and actively contributed for improving the web design and performance.
- Worked closely with senior developers to understand and improving best practices, code quality and efficiency.

Projects

Car Pooling
Oct 2023 – Nov 2023 · 1 month
- Developed a carpooling solution using Spring Boot to facilitate efficient transportation sharing among users. The project aims to reduce traffic congestion and promote community engagement by providing a platform for users to share rides.
- This project aimed to gain hands-on experience with Spring Boot framework and Java programming while exploring the concept of building web applications.

Id Card Generator
Mar 2023 – Apr 2023 · 1 month
- Developed an automation solution using UiPath Studio to generate ID cards, streamlining the manual process and significantly reducing processing time.
- Designed and implemented a workflow that extracts relevant data from a database, dynamically creates ID card templates, and merges the data to generate printable ID cards.

Licenses & certifications

Microsoft Certified – DevOps Engineer Expert
Issued Mar 2024

Product Essentials Program – HighRadius
Issued Jun 2022

Training on Python Programming – Techvanto Academy
Issued Jul 2021

Achievements

- Awarded with B Certificate, National Cadet Corps in Lovely Professional University – March 2021.
- Won second position on Chess competition on sports-utsav organized by c20lpu – Sept 2019
- Awarded Merit Certificate under Education Scholarship Scheme from Army Welfare Society – Feb 2019

Education

Lovely Professional University
2019-2023

Bachelor of Technology in Computer Science and Engineering
7.5/10 CGPA

Volunteering

Cadet
National Cadet Corps – India
Oct 2020 – Mar 2023 · 30 months
Social Services

Coordinator
YouthVibe: LPU's Open Global Fest
